

Miller–Southern California Bight Marine Biodiversity Observation Network

Robert Miller, University of California Santa Barbara

Robert Miller, David Siegel, Craig Carlson, Daniel Reed, BS Manjunath, Deborah Iglesias-Rodriguez, Doug McCauley, Milton Love, Andrew Rassweiler, Kevin Lafferty, Andrew Thompson

SCB MBON Goal:

Provide data and products to inform managers and society about patterns of marine biodiversity across taxa, space, and time

Approach:

- *Integrate existing data*
- *Develop new methods & products*
